

Welcome to our Nursery

Honeybourne Primary Academy Nursery is well established with a team of experienced practitioners and has been operating as part of Honeybourne Primary Academy for 6 years.

Our dedication stems from one single goal and that is to provide the best possible start to your child's education. We believe that the most effective way to achieve this is to ensure that your child is confident and happy.

We offer a caring, safe learning environment where your child will be happy, nurtured and encouraged to grow, develop and achieve their potential. We ensure that we provide a stimulating, exciting and engaging curriculum, planning topics in conjunction with Reception class to ensure that we are working together to achieve the best for the children.

We continually refresh our inside and outside areas ensuring that our Nursery has open spaces for the children to move easily around the pre planned activities. This ensures that the children can enjoy the physical freedom of a secure outdoor environment. We share facilities with the school, including the playground, field, hall, kitchen, and outside classroom. The children from nursery also take their lunch in the school hall and can access hot meals too.

We believe that we offer excellent facilities as you would expect from an Ofsted registered Nursery. Our most recent inspection took place in January this year and you can read our Ofsted report from our website or directly from Ofsted. The following shows how pleased Ofsted are with our Early Years practice:

*'Children in the Nursery and Reception classes are happy, settled and keen to learn. Teachers make sure that learning is interesting. Staff plan activities that build on what children already know. The classrooms are warm, colourful and well resourced. This helps children to learn. The relationships between adults and children are positive and nurturing. Staff care for children well. Staff maintain close relationships with parents throughout the early years. Parents value this. Parents like the electronic communications that show them at first-hand what their children are doing in the school'. **Ofsted, January 2020***

Together we can make your child's school experience a full and exciting one so that we may establish a sound basis on which to build their future life and education.

If, at any time, you wish to arrange to visit our Nursery or ask any questions, please do not hesitate to contact Mrs Huntington our Head, Mrs Kate Drew our Nursery Manager on 01386 830462 or Mrs Cowley, our School Secretary on 01386 830462 or office@honeybourne.worcs.sch.uk.

We look forward to welcoming you into our school.
