Dear Parents,

19<sup>th</sup> April 2020

## NEW RECEPTION – Starting School in September 2020

You will have received your allocation of a place for your child to start school this week. We are delighted that you have chosen Honeybourne Primary Academy for your child to continue their educational journey and extend a very warm welcome to our school community to you and your family.

With your offer letter, you will have had instructions about accepting your school place, and I would urge you to do that as soon as possible, so that we can re-allocate any places that are not needed – thank you.

At the time of writing, school provision is very different. As you may be aware, we are only able to open for children where their parent(s) are key workers and they are not able to keep their children at home, therefore, we are sadly, unable to start our induction programme for our new children, until things change.

Please would all parents be assured that we are working hard behind the scenes to plan a range of learning activities for your children and for families to engage with to help your child to get ready for school. At the moment, we are working hard to make sure our 'Home Learning Plan' for each class for the summer is ready for use. If you feel so inclined, have a look under the Honeybees class page to see what learning is taking place this term. You could dip into some of the fun activities if you wish, to keep you busy. Our Nursery plan is also based on the same theme and you will see that there are nursery activities there too.

Usually, around this time, we would have a meeting for parents of children who are due to start school but at this time, we are unable to do that. However, I am working on a way to contact you all and will be in touch again very soon with more information.

At this very exciting time for your child, things are looking very unusual and bizarre in terms of schooling, but reassure your children that this is not a permanent situation and things will get back to normal as soon as it is safe. Please continue to look at our school website for information. We are posting extra items for parents and children most days, so do look.

You will find attached a number of forms that we require for our records. It would be useful if you could complete these electronically, as far as possible, and return them to [office@honeybourne.worcs.sch.uk](mailto:office@honeybourne.worcs.sch.uk) so we can start the administration processes.
